

Litter Pickup Program – Procedure

Thank you for your interest in our Litter Pickup Program. Please read through the following Litter Pickup Program procedure carefully:

-Applicants contact us with particulars of their group/organization and the section of roadway they are interested in looking after.

-Shawn Vanacker, Supervisor of Transportation, will assess each application and has the authority to grant approval where deemed appropriate. Assessments will determine if the section of road chosen by the group/organization would pose a particular safety risk for the participants.

-The applicant will be given a copy of an agreement that they will have to enter into with the County of Oxford.

-There is also a pamphlet (MTO) with safety guidelines for the group/organization to read (the group/organization is responsible for training of their members).

-Signs are supplied by the County.

-The applicant supplies their own logo to put on the sign (max. 16" x 16").

-When the group/organization has been approved, the applicant will contact the Springford Patrol. Springford Patrol contact information will be available upon approval.

LITTER PICK UP AGREEMENT

The County of Oxford agrees to erect signs advertising the following named Public Service Organization which has executed the following agreement with the County of Oxford.

The Organization: _____

The County of Oxford recognizes the Public Service Organization named above (to be known in this agreement as "The Organization") to be responsible for Litter Pickup on County Road No.

from: _____

to: _____

a distance of _____ kilometres.

The Organization agrees to pick up litter at least three times in each twelve month period of this agreement beginning _____, 20____ and ending _____ 20____ .

The Organization will be responsible for the following and agrees to:

- adhere to all provincial and local health unit guidelines and laws with respect to limiting the spread of COVID-19, including abiding by stay at home orders, social gathering limits, physical distancing measures and face covering requirements.
- have group participants complete the province's COVID-19 Screening Tool for Businesses and Organizations (Screening Workers). Please see link below.

- provide safety training and supervision of their volunteers.
- volunteers/participants must sign a participation waiver attached to and forming part of this agreement as shown in Schedule "A".
- train all participants and make them familiar with the contents of the MTO safety brochure "Safety Guidelines for Volunteers" attached to and forming part of this agreement as Schedule "B".
- obey and abide by all laws and regulations relating to safety.
- park all vehicles, at the worksite, as far away as possible from the travelled portion of the highway.
- provide all transportation, supervision, safety equipment and medical/first aid service.

- pick up litter a minimum of three (3) times within the twelve month period.
- provide the County with 48 hours notice prior to a litter pickup.
- wear safety vests at all times and any additional appropriate safety apparel while outside vehicles.
- not pick up litter on the road surface, paved or gravel shoulders, bridges, overpasses, or around locations that could pose a danger.
- provide supervision of volunteers to ensure all the provisions of this agreement are fulfilled.
- work only during daylight hours (one hour after sunrise and one hour before sunset).
- display “road work” signs and designate presence of vehicles by deploying traffic cones during litter pick-up as specified in the “Ontario Traffic Manual, Book 7”. Please see link below.

- ensure that no signs, posters, or other display materials are brought to the adopted section during or between cleanups.
- flag closed containers, heavy objects, or suspected hazardous materials for pick up and disposal by County staff.
- surrender items of value (wallet, purse, camera, etc.) found on County road property to the nearest police station.
- place filled trash bags one metre onto the grassed boulevard in the direction away from the edge of the gravelled shoulder of the road.
- notify the County Public Works Department immediately after each cleanup to ensure quick removal of litter bags by County staff.
- monitor to ensure all the objectives of this agreement have been met.

The County agrees to:

- erect signs advertising the organization at the beginning of each section of highway right-of-way for the agreed period of twelve months.
- remove and dispose of filled trash bags and flagged items.

This agreement may be modified in scope or altered in any manner or cancelled on notice and at the discretion of the County.

This agreement may be cancelled at any time on notice by the organization, however, no liability incurred by the organization may be transferred to the County by such cancellation.

The Organization, on written notice from the County, will have the option of renewing this agreement, the term of which may be extended for additional twelve month periods at the discretion of the County.

**SAFETY
 GUIDELINES
 FOR
 VOLUNTEERS**

**ADOPT-A-HIGHWAY
 PROGRAM**

THINK SAFETY

There are a few simple rules worth remembering when it comes to safely working along the highway. These rules must be reviewed by all volunteers before each clean-up session.

VOLUNTEERS MUST:

- receive annual Ministry of Transportation safety training prior to the first pick-up of the year and review safety rules before each clean-up.
- be at least 12 years old.
- provide at least 1 adult (19 years or older) supervisor for each 5 workers.
- always wear an MTO approved safety vest.
- display the "road work" sign before starting the clean-up.
- carpool to minimize the number of vehicles at the work-site and always disembark from vehicles on the side adjacent to the ditch.
- park parallel to the road and as far off of the travelled portion as possible.
- park vehicles on the same side of the roadway as the volunteers.
- clean-up only one side of the highway at a time and work towards oncoming traffic.
- drive to the opposite side of the roadway when switching sides.

- pick-up litter during daylight hours only.
- flag hazardous and unidentifiable items for pick-up by ministry staff.
- stay clear of any maintenance or construction operations and equipment.
- stay clear of water hazards.
- discontinue work in inclement weather.
- place filled trash bags at the designated pick-up site(s).
- close the "road work" sign when finished the litter pick-up.

VOLUNTEERS MUST NOT:

- disembark from vehicles until "road work" sign has been displayed.
- walk or pick up litter on the pavement, shoulder, or in the median.
- work on bridges, overpasses, steep ground, or in tunnels.
- walk across the pavement to switch sides.
- touch or pick-up hazardous items or any thing that can not be identified.
- wear clothing or display material that might distract motorists.
- use or possess illegal drugs or alcoholic beverages before or during the clean-up.
- step or jump on trash bags.

FOR YOUR OWN SAFETY

- stay mentally alert at all times.
- wear protective footwear and gloves.
- wear light-coloured clothing that covers arms and legs.
- wear a baseball cap or wide-brimmed hat and sun screen lotion.
- drink lots of fluids while you work especially on hot humid days.
- be aware of any special needs of fellow volunteers (ie. medical)
- avoid over-exertion.
- stay alert for and avoid hazardous plants (eg; poison ivy) and stinging insects.
- keep an adequate supply of flags and trash bags on hand.
