NOTICE OF COMPLETION

Oxford County Transportation Master Plan

The Study

Oxford County has completed the Oxford County Transportation Master Plan (TMP), a strategic planning document that outlines and defines the policies, programs and infrastructure modifications needed to manage both existing and anticipated transportation demands to the year 2038 and beyond.

Building on the directions articulated in several key County policy and planning documents, the TMP establishes the goals, strategies and initiatives necessary to achieve the municipality's future transportation vision. The TMP integrates municipal transportation planning with environmental assessment objectives and land use planning, ultimately providing for a multi-modal transportation system that is sustainable, integrated and accessible.

The Process

The Oxford County TMP was conducted in accordance with the master planning process following the requirements of Phases 1 and 2 of the Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015), which is an approved process under the Ontario Environmental Assessment Act. The TMP addresses need and justification at a broad level and recommended infrastructure projects will require further detailed studies as per the Municipal Class Environmental process.

The Completion

The TMP has been prepared to document the planning and decision-making process undertaken for this study. Key recommendations of the TMP were approved by County Council on April 24, 2019 along with support to issue this Notice and to commence the 30-day public review period.

The Oxford County TMP is available for review at local area municipal offices, the Oxford County Administration Building, and on [Speak Up, Oxford!](#) at www.oxfordcounty.ca/speakup. Further questions or comments can be directed to:
