RE: INGERSOLL – WATER TOWER MAINTENANCE

This is to inform you that Oxford County will be performing scheduled maintenance work on the Ingersoll Water Tower.

The water tower is scheduled to be offline from November 26 to December 2.

While the work is occurring there may be some fluctuation in water pressure. If you notice discoloured water, an outside tap or a cold water faucet not connected to a water softener or filter should be turned on in order to flush the water from your plumbing.

We apologize for any inconvenience caused by this work.

If you have any questions please contact Todd Gregg, Coordinator of Water-Wastewater Operations at 519-539-9800 ext. 3129 or tgregg@oxfordcounty.ca.

This notice issued November 21, 2013.

Deborah Goudreau, P. Eng.
Manager of Water Services
